

Important Dates for VBS

These are the usual dates that all the VBS schools follow. However, this may be disrupted due to COVID-19!! Please keep checking our homepage and that of the Bildungsdirektion for changes.

1 Registration for the Orientation Talks for 1st grade

- * Application forms must reach us by **Monday 10th January 2022**.
- * Forms are available in German and English on the website for the Bildungs Direktion and on the school homepage. It makes sense to do the orientation talk at the school you ultimately want your child to attend.

2 Appointments for the Orientation Talks

- * Appointments will be sent (by email or post) to you the week before the orientation talks.

3 The Orientation Talks

- * The orientation talks take place here in school on:

17th - 19th January 2022

4 Registration for a School Place at THEO

- * Before the orientation talks, you should make a registration appointment with the headmistress (**Einschreibungstermin**) for one of these dates:

14th -16th February 2021, all day

You organise this by calling the secretaries' office after the **10th January 2021**.

- * You must bring along your child's „Erhebungsblatt“ and two passport-sized photos.

(These dates apply only for people seeking a place in the VBS system - the dates for regular/ Freiarbeit classes are different.)
